

Abdul Wassay

BI & Analytics Specialist

Hyderabad, India | +91-7897034508 | wassayknp@gmail.com | [linkedin.com/in/wassayknp](https://www.linkedin.com/in/wassayknp) | wassayknp.github.io/portfolio/

Experienced BI & Analytics Specialist with 8+ years in business intelligence, data analytics, and data warehousing. Proficient in Power BI, SQL, and ETL tools (DataStage, Power BI ETL), transitioning to cloud-native data engineering with Microsoft Fabric (Data Factory, Data Engineering). Skilled in AI prompt engineering and leveraging AI Agents to optimize analytics workflows, proficiently leading teams to deliver actionable insights through interactive dashboards. Adept at stakeholder collaboration, mentoring, and implementing scalable BI solutions for diverse global clients, managing project workflows effectively with tools like JIRA.

SKILLS

- BI & Visualization:** Power BI (DAX, Power Query, Fabric), Tableau, Spotfire, Looker; Dashboard Design & Reporting
- SQL & Data Engineering:** Oracle, SQL Server, Snowflake, Data Modeling, Microsoft Fabric (Data Warehousing, Data Pipelines)
- Automation & Scripting:** AI Prompt Engineering, AI Agents, Python, Version Control (Git), CI/CD Pipelines, Github.
- ETL & Integration:** IBM DataStage, Microsoft Fabric (Data Factory, Data Engineering); APIs, JSON.
- BI Administration:** Power BI Service (Admin, Security, Performance); User Access Management, Row-Level Security (RLS).
- Geospatial Analytics:** Integrated geospatial data (QGIS, Custom Maps, Geospatial Analysis) in Power BI and Spotfire

EXPERIENCE

Lead BI Developer / Software Engineer BI

May 2021 – Present

DEFTeam Solutions Pvt. Ltd., Hyderabad, India

- Developed interactive Power BI dashboards using DAX and Power Query, improving analytics delivery by 20%.
- Designed ETL pipelines using Fabric and Power BI ETL, integrating data from Oracle, Snowflake, and APIs for real-time reporting.
- Optimized SQL queries and migrated Oracle procedures to Snowflake, reducing data processing time by 30%.
- Led a team of BI developers, mentoring members and establishing guidelines to enhance project efficiency by 15%.
- Applied AI prompt and research to automate data summarization in Power BI, cutting report preparation time by 25%.
- Administered Power BI environment with row-level security and performance tuning, ensuring secure and efficient data access.
- Collaborated with stakeholders to translate business requirements into data models and actionable insights.

Technology Analyst / Senior Systems Engineer

Oct 2016 – Apr 2020

Infosys Limited., Hyderabad, India

- Built 200+ Spotfire and Power BI dashboards with custom visualizations, enhancing business decision-making by 10%.
- Designed ETL processes using DataStage and Power BI ETL, ensuring data quality from sources (relational, NoSQL, JSON, APIs).
- Wrote complex SQL queries and stored procedures to support ad-hoc reporting and analytics for cross-functional teams.
- Trained and mentored teams in Power BI and Spotfire, improving user adoption and proficiency.
- Automated report scheduling using Power Automate, streamlining workflows and saving 15 hours weekly.

PROJECTS

Business Intelligence Solutions: Developed public, operational, geospatial, and financial dashboards in Power BI. Leveraged Copilot to enhance data exploration and reporting capabilities, resulting in improved real-time insights and a 35% reduction in data access requests.

BI & Analytics Pipeline: Developed end-to-end ETL and Power BI solutions, extracting and combining data from multiple sources (Oracle, Snowflake, APIs, SharePoint, JSON) using tools like DataStage and migrating/developing new pipelines in Microsoft Fabric/Azure Data Factory for real-time insights.

CERTIFICATIONS

- Microsoft Fabric Certification (Data Factory, Data Engineering) | Udemy (In Progress, Expected: August, 2025)
 - Developing skills in ETL pipeline creation, workflow automation, data ingestion.
- AI Prompt Engineering | UpGrad | 2025
 - Acquired expertise in crafting effective prompts for AI models.
- Microsoft Power BI – The Complete Masterclass | Udemy | 2024
- TIBCO Certified Professional: Spotfire | TIBCO | 2022

EDUCATION

Bachelor of Technology (B.Tech.)

Jul 2012 – May 2016

Computer Science & Engineering

Dr. APJ Abdul Kalam Technical University (Uttar Pradesh Technical University, India)
